SEPTEMBER 21
DEMONSTRATOR
TOM BROWN

Tom Brown is a third generation artist. Originally from the Midwest, he began a successful art career in advertising. During that time, however, he also began selling painting in galleries and left advertising to pursue art full time when his first one-man show in Chicago was a virtual sellout.

Tom has lived in Southern California since the 1980's. He works in the Impressionist style and his oil paintings are known for their bold, confident brushwork that vibrates with energy and strength. In addition to plein air painting, Tom enjoys studio painting and working on frequent commissions.

Tom Brown is a former president of the Orange Art Association and past member of the Laguna Plein Air Painters Association and Southern California Plein Air Painters Association. He has won numerous awards in oil painting competitions and his paintings are in corporate collections including the City of Irvine, Sears, Standard Oil and Coca Cola. His art has also been seen in American Art Collector, Art Calendar, Southwest Art, Art & Antiques, American Art Review and other leading art publication. He is also host of a popular monthly TV show where he teaches his unique method of oil painting en plein air and in the studio. A number of these shows are on DVDs and you can email him at TomBrownStudio@cox.net for details.

Patti Yunker has 20 paintings at a restaurant called "Tangata" in the Bowers Museum, 2002 N. Main St., Santa Ana 714-550-0906, for most of the summer. I haven't eaten there, but I hope it is good. Thank You, Patti Yunker

Tony Podue won the Best Of Show at the 2011 Lakewood Artist Guild Open and has also won the Best of Show in the 36th Annual Cypress Open, *Veronica Kortz* took 1st Place and HM in Professional Oil/ Acrylic, and *Patti Yunker* 2nd Place Professional Watercolor. Also, *Tony Podue* won 2nd Place Oil/ Acrylic in the 43rd Sunset Beach Art Festival and Patti 3rd Place Watercolor. Additionally, Tony won HM in the Huntington Beach Art League Open

Painting Workshop

The AAA Painting Workshop is open every Tuesday from 12 noon to 3:30 pm. With twenty feet high northern exposure windows, it's an awesome place to enjoy and paint. The Downtown Community Center is located at 250 E. Center Street. A good place to get some extra art help or just a super place to rub elbows with the other artists.

PRESIDENTS MESSAGE

Hello everyone, I first want to give thanks to all those that participated in our Open Show at Garden Walk. What an excellent collection of fine art work. I personally appreciated the donated table sculpture. We have been invited to do other events there and hopefully will have more of our members work so we can do our own show soon. The enthusiasm of our greeters was really appreciated. For the first time we had a large walk in viewers. Lea Oconor, marketing director, was happy with the childrens celebration and the Live Art Event on opening night. Thanks to our new member, Hazem AlBustanti, who was so instrumental in making these two events happen. These were two activities where happenings that the Garden Walks previous director had mentioned that they would like to see happen in addition to our show. I was happy to be able to make that happen. I would also like to say I'm sorry I wasn't able to do my best at our reception. My friends and I had an accident on June 22 and barely made it to the event. My car has been repaired easier than we have. So I will be needing no additional help at this time. Hopefully someone can take over the refreshments at the meetings. We have a \$25 budget and some wonderful helpers. I will also be passing out forms for new ideas to make our coming events even more successful. Fund Raisers they are not. So advertising skills and networking are needed. I am on the Art Council now and have heard plans for some great Art events. Art in the Park, sponsored by the city of Anaheim, is coming soon. Please call me for details. I personally did face painting at the Childrens Festival and its such a pleasure seeing those little faces. Come join me at the Fall Festival. We also do hands on projects with these future artists.

Hope to see some of our new members and their work on Sept. 21. It will be good sharing our creative energies together again. See you soon. President Bette Comstock Hello everyone,

Our May demonstrator, Veronica Kortz, showing how to draw and paint from a landscape photograph.
