Painting Workshop

The AAA Painting Workshop is open every Tuesday from 12 noon to 3:30 pm. With twenty feet high northern exposure windows, it's an awesome place to enjoy and paint. The Downtown Community Center is located at 250 E. Center Street. A good place to get some extra art help or just a super place to rub elbows with the other artists.

Presidents Message February 2010

Our January Meeting had about half of our normal member participation because of the rain. I truly understand and pray that we won't get rained out for our February meeting. But to those who didn't make it last month you missed a great demonstrator, our own Patty Yunker who did a super job. Apologies to the previous months winners; we put the wrong names under some of their photos. You can blame old president Dave for that, he done messed up. Speaking of old presidents, it's about time again to think of A.A.A.s May elections. As our by-laws state a president can only serve two terms in succession. So we will be looking for a new president as well as filling the rest of the board.

Your board has been working hard and has all ready made date selections for our open show this summer. We will probably go back to the La Habra Gallery. Art take in dates will be Friday June 18 and Saturday June 19. Gallery open dates 23, 24 and 25 with our reception on Saturday June 26. Pick-up of artwork will be immediately after the reception.

Our art association has been given an opportunity to show our artworks at a venue at the circle in Orange. The name of the shop is "Cherry of Top" a yogurt shop that's on Glassel St. three shops from the circle. This is a wonderful new shop that can accommodate about twenty plus paintings. This area is loaded with restaurants and antique shops and gets tons of foot traffic. We have already negotiated the months of June, July and August for AAAs use. Your board will be getting back to you on how we can swap out paintings over the three months and hopefully give all members a chance to show a painting there. And yes, will even have a little reception at the beginning of each month.

KEEP ON PAINTING
