April 21 Demonstrator September McGee

September McGee has just attained the Honorable Level of Signature Member status with the Connecticut Pastel Society! She is considered one of the most collectible figurative artists of today. Her paintings pulsate with nonpareil creative energy, offering an incredible palette of colors and deftly rendered strokes. McGee's distinctive style blends Impressionism and Realism and is receiving critical acclaim from art critics and collectors the world over. Winner of fifteen national juried show awards since 2008 and accepted into over thirty prestigious national and international juried exhibitions, she recently launched several new exciting series: "Streets of New York", "Streets of San Francisco", "The Blues", and her "Rainy Day Series". Many of her works depict women enjoying libations which typically sell out when first debuted. Always striving for excellence and expanding her style and oeuvre, September McGee has established herself as an important American Painter. Her works are held in galleries and numerous private and public collections throughout the world. McGee is also a published author.

Artists Statment

"I strive for excellence in my work and continue to challenge myself to grow. Many times my paintings are my sanity and salvation. My penchant for painting in the figurative genre reflects the love I hold for people everywhere. I paint to elicit the beauty I find in my subjects inside and out."

We need your help!

The AAA needs to find a home for about 10 boxes of historical and open show materials and 20 or so A-frames for displaying artwork. For the past four years they have been stored in your Presidents garage. And after the completion of this term the space will be no longer available for the clubs use. We calculate that a space with the footprint of 5' x 5' or 5' x 6' would do the trick. We have checked with Self Storage Company's and have estimated the cost to rent will be a minimum of \$600.00 per year. This is an expense the club just really can't afford, so we are inquiring if any one in the club has a corner of their garage that we may use. This would really help our club. Painting Workshop

The AAA Painting Workshop is open every Tuesday from 12 noon to 3:30 pm. With twenty feet high northern exposure windows, it's an awesome place to enjoy and paint. The Downtown Community Center is located at 250 E. Center Street. A good place to get some extra art help or just a super place to rub elbows with the other artists.

President's Message April 2010

Last month's meeting we held our Marguerite E. Lee competition, we covered the subject in a special column in the March newsletter. We said to those who had paintings there from our last Marguerite Competition make sure they picked up their paintings or if you could not make it to the meeting, make arrangements have a friend pick up your paintings for you. Six paintings were not picked up and I have them in my garage. Another rule is to make sure you "ID" your paintings on the back side of the canvas with your name and phone number, etc. Again I have the paintings with no signatures or telephone numbers. If one of these paintings is yours please call Dave Judy (714) 956-7656.

ELECTIONS

We will be holding elections at this month's meeting. We have three people running for President, so we will be having a ballot to fill out. Yes we still need you! You're never too young or too old to help your art association. The A.A.A. board meets on the fourth Tuesday of the month at the downtown community center at 6:30 pm. for about two hours. Most board positions will not require a lot of your personal time. If you can run for an office, we will give you all the help and tools you need to do the job.
